Trenton Leazer - Recreation Aide Lead

I am the proud brother of two siblings with an amazing family that supports me when needed. Playing board games and going to concerts are some of our favorite things to do together. My dad loves calling me Mustard, because I "always need to Ketchup."

Growing up I played a lot of sports, so even now I love being active even if it's just running around at a park playing tag with my friends. I am also a straight A student and am enrolled in various AP courses. I am hoping to go to college for engineering following my time in high school.

Lastly, I enjoy playing games and making bonds with the kids in our program.
