

Carson City Clerk-Recorder Domain change to carsoncity.gov

The Carson City Clerk-Recorder's Office is transitioning its email domain from @carson.org to @carsoncity.gov to enhance security and align with federal and state digital standards.

Effective immediately, all official email communications will use the new @carsoncity.gov domain.

However, we will continue to receive messages sent to @carson.org addresses through December 31, 2025. After that date, the @carson.org email addresses will no longer be active.

Please update your contact information accordingly and begin using the @carsoncity.gov addresses as soon as possible.

For questions or assistance, visit the Carson City Clerk-Recorder's website or contact our office directly.

Thank you for your cooperation.
