ACKNOWLEDGMENT OF APPLICANT

I certify that the forgoing statements are true and correct to the best of my knowledge and belief. I agree to fully comply with all conditions as established by the Community Development Director and possibly the Planning Commission/Board of Supervisors. I am aware that this permit becomes null and void if the use is not initiated within one-year of the date of the Community Development Director's and possibly Planning Commission's/Board of Supervisor's approval; and I understand that this permit may be revoked for violation of any of the conditions of approval. I further understand that approval of this application does not exempt me from all City code requirements.

SITE PLAN CHECKLIST

The site plan shall be drawn on quality paper (minimum size of 8.5 inches by 11 inches) at an appropriate scale or dimension to depict the parcel. Any site plan larger than 8.5 inches by 11 inches must be folded. The site plan shall include the following information:

- Show a north point arrow and plot plan scale. A bar scale is preferred because when the drawings are reduced, it will still show an accurate scale. A bar scale could appear like this for a project that has a scale of one inch equals twenty feet on the original plot plan:

- Title block in lower right-hand corner including:
 - Applicant's name, mailing address, and daytime phone number (including area code)
 - The name, mailing address, and daytime phone number of the record owner of the subject property, if different from applicant.
 - Assessor Parcel Number(s) and address (location, if no address) of the subject property.
 - Project title and permit request. (Example: Variance, Special Use Permit Special Exception Request).
- Property lines of the subject property with dimensions indicated.
- All existing and proposed structures shall be shown, including:
 - Distances from property lines indicated by dimensions.
 - Distances between buildings shall be indicated on the plot plan.
 - Clearly label existing and proposed structures and uses, and show dimensions.
 - Square footage of all existing and proposed structures.
 - Show all adjoining streets.
 - Indicate drainage patterns on lot with arrows.
- Project access:
 - Show the location of proposed street access.
 - Show adjoining street names.
 - Show all curb cuts with dimension.
- Show the Assessor Parcel Number(s) of adjoining parcels.
- Show location of existing and proposed utilities and drainage facilities, and indicate whether overhead or underground. Show the location of any septic lines/fields and wells.
- For Special Exceptions, show location of RV with dimensions to side yards, to rear yard and dimensions to residence.

Submit 4 copies of the entire application and site plans, including the original, or a very clear, high quality reproduction that may be used for generating additional copies. If 4 large blueprints are submitted, one 8.5 inch by 11 inch plan must also be submitted.
