This is a friendly reminder that during DROP-IN Pickleball play, please be courteous to fellow players.

We are all here to use the facility equally, regardless of skill level, so once a game is complete, please allow other players who are waiting their turn time on the court. Failure to do so will result in removal from the facility.

The storage room is for staff only. Players seen in the storage room will be removed from the facility for the remainder of the day with no refund.

We appreciate your cooperation.
