Member Pedersen discussed concerns expressed by Chairperson Bradley regarding the non-responsiveness of the county boards in identifying trophy hunt areas. Discussion ensued with regard to the same, and Board consensus was that the letter referenced by Chairperson Bradley had never been received. Member Mason pointed out that the Carson City Advisory Board has provided input each time it has been asked to do so. Additional concerns discussed by Chairperson Bradley included the overestimation of animal herds by the Nevada Division of Wildlife ("NDOW"), and the youth hunt. Member Pedersen noted that County recommendations were adhered to almost unanimously, and that Chairperson Bradley had expressed an interest in hearing about specific issues from the county boards. Member Pedersen further advised that extensive discussion had taken place regarding mountain lions. With regard to every other big game issue, the strongest influencing factor on final quotas was the recommendations of the county advisory boards. He advised that NDOW had been commended on their new report format.

Member Pedersen acknowledged that the Board's recommendation for unit 291 had been accepted. Member Blank referred to the Commission meeting minutes and advised that 29 tags had been allocated for unit 291. Discussion took place regarding the differences between the recommendations provided by the Douglas County Advisory Board and the Carson City Advisory Board. Member Mason provided historical information regarding a team recommendation developed between Carson City, Douglas County, and Washoe County. He suggested considering this in the future because of the additional influence it provides. No formal action was taken.

**6. DISCUSSION AND POSSIBLE ACTION REGARDING COMMISSION GENERAL REGULATION 288 - PROPOSES TO AMEND CHAPTER 501 OF THE NEVADA ADMINISTRATIVE CODE BY ADDING A SECTION WHICH DELINEATES THE PROCESS FOR APPLYING FOR WILDLIFE HERITAGE TRUST ACCOUNT FUNDING. **7. DISCUSSION AND POSSIBLE ACTION REGARDING GENERAL REGULATION 291 - CLARIFIES EXISTING REGULATION REGARDING ELK INCENTIVE TAG SEASONS (1-0840)** - Member Davis commented that the amendments to paragraph 3 will provide a good management tool for NDOW. Discussion took place regarding the overestimation of herds indicated by NDOW representatives at the May 3<sup>rd</sup> meeting, and the formula provided in the proposed amendment. Board consensus was to accept the proposed amendment. No formal action was taken.

**8. DISCUSSION AND POSSIBLE ACTION REGARDING COMMISSION POLICIES - REVIEW REVISIONS TO POLICIES #1 GENERAL GUIDELINES FOR THE COMMISSION, #2 GUIDELINES FOR THE DIVISION SALES OF DOCUMENTS AND PAPERS, #3 COOPERATIVE OR RECIPROCAL AGREEMENTS, AND BEGIN REVISION OF POLICY #4 ALLOCATION OF TAGS, #5 WILDLIFE HERITAGE ACCOUNT, AND #6 WILDLIFE HERITAGE TAGS AND VENDORS (1-0922)** - Following a brief discussion of each addendum included in the Wildlife Commission agenda materials, Board consensus was to accept the proposed policy revisions. No formal action was taken.

**9. DISCUSSION AND POSSIBLE ACTION REGARDING LANDOWNER COMPENSATION TAGS PROGRAM - THE COMMISSION CHAIRMAN WILL SELECT A COMMITTEE TO REVIEW THE LANDOWNER DAMAGE COMPENSATION TAG PROGRAM AND ASSOCIATED REGULATIONS (1-1107)** - Chairperson MacKenzie provided a brief overview of the proposal. Discussion took place regarding the purpose of the program, misuses of the program, the benefits of a review committee, selection of the committee members, agendizing the matter for a future meeting to discuss revisions to the program, and attempting to join together with adjacent counties to present a recommendation to the Commission. **Member Pedersen moved to support the selection of a Committee to review the landowner damage compensation tag program, and request that the county advisory boards be allowed to provide input. Member Davis seconded the motion.** Discussion took place with regard to the motion, and Chairperson MacKenzie called for a vote. **Motion carried 5-0.** Discussion followed regarding Board representation at the meeting in which the Committee members will be selected.

In response to a question, Member Davis explained that because of the large number of spike-horn and rag-horn elk, the bull to cow ratio has decreased significantly. He referred to the statistics provided by Craig Mortimore, of NDOW, at the May 3<sup>rd</sup> meeting. With regard to the Commission's allocation of overall bull elk tags, Member Pedersen advised that NDOW's recommendations had been followed, and that there had not been any specific disagreement by the county advisory boards. **Member Blank moved to support the development by the Commission of a spike bull hunt. Member Mason seconded the motion. Motion carried 5-0.**

**11. DISCUSSION AND POSSIBLE ACTION TO RECOMMEND MEMBERS(S) TO THE NEVADA WILDLIFE COMMISSION - THE BOARD WILL MAKE RECOMMENDATIONS TO GOVERNOR GUINN REGARDING THE TWO UPCOMING APPOINTMENTS FOR THE GENERAL AND CONSERVATION MEMBERS (1-1868)** - Chairperson MacKenzie advised that two openings will be available. **12. DISCUSSION AND POSSIBLE ACTION REGARDING A CROSSBOW PETITION - THE COMMISSION WILL REVIEW A PETITION FROM THE CLARK COUNTY ADVISORY BOARD TO ALLOW PHYSICALLY DISABLED PERSONS TO HUNT WITH A CROSSBOW DURING THE ARCHERY SEASON (1-1916)** - Member Pedersen discussed the presentation made at the last Commission meeting with regard to this matter, and advised of the Commissioners' discussion. He advised of speaking to the individual who made the presentation, and expressed support for the proposal if specific language is included to ensure that the provision is not abused. Member Davis commented that he had no problem providing exceptions for handicapped individuals. He expressed concern over the proposed weapon, and how a wounded animal could be tracked or chased. Member Mason expressed concern over the definition of "physically disabled." Member Blank concurred, and echoed Member Davis' concern over the proposed weapon. He provided information regarding a policy in Minnesota allowing physically impaired individuals to hunt with crossbows. He researched the matter on the Internet and found articles evidencing abuse of the policy. He expressed opposition to the proposal because the crossbow is not a comparable weapon, and the proposal is not equivalent to allowing a physically impaired individual to shoot from their vehicle. Chairperson MacKenzie pointed out the administrative aspects of evaluating each request on a case-by-case basis. Discussion took place regarding the grade of ammunition available for crossbows, hunter safety concerns, the criteria for physically impaired rifle tags, and proposing a different weapon.

Member Mason moved to obtain more information to determine the definition of physically disabled. Following a brief discussion, Member Mason withdrew his motion. Member Davis pointed out that this issue had been previously addressed and denied. Member Blank read a portion of the April 1, 2000 letter from the Chairman of the Clark County Wildlife Advisory Board into the record and pointed out that it does not qualify as a petition. **Member Davis moved that the Board not support the crossbow petition as it is currently written due to lack of specificity for the definition of a physically disabled person and also because a crossbow is not a legal weapon in the State of Nevada at this point. Member Pedersen seconded the motion. Motion carried 5-0.**

**13. DISCUSSION AND POSSIBLE ACTION REGARDING DIVISIONAL ORGANIZATION STRUCTURE - IN CONFORMANCE WITH NRS 301.337(3), THE COMMISSION WILL BE ASKED TO CONCUR WITH A PROPOSED CHANGE FROM A LINE-STAFF ORGANIZATION TO A DIRECT LINE PROGRAM SUPERVISED AGENCY IN ORDER TO IMPROVE EFFICIENCY AND EFFECTIVENESS (1-2340)** - Following a brief discussion, Board consensus was to track this matter.

The Board reviewed Commission Policy Number 25, the Proposal for Professional Services for the CCC Ranch, and the Petition for the Adoption, Amendment, Filing, or Repeal of a Regulation from the Nevada Trappers Association, and agreed with the proposals outlined in each.
